APhA2018 Abstract Submission Form

Topic Information → Author Information → Abstract Information → Award Program Consideration

Topic Area

Select ▼

Research Area *

- Practice-based Pharmacy (Pharmacy settings that focus on the development and implementation of pharmacist-provided patient care services.)
- Basic Sciences (Basic science research including chemical structure/biological activity and chemical structure/physicochemical property relationships)
- Clinical Sciences (Multidisciplinary interaction between clinical scientists and practitioners committed to expanding knowledge about the safe and effective use of drug products.)
- Economic, Social, and Administrative Sciences (ESAS) The ESAS research area addresses health services research, policy, and administration with application to pharmaceutical treatments and pharmaceutical care. ESAS is multidisciplinary, including the fields of public health, epidemiology, economics, health services research, outcomes research, biostatistics, medical sociology, law, health care administration and management, operations research, pharmaceutical marketing, marketing research, technology assessment and applications, and public and private reimbursement programs.

Practice Area (choose one) *

- Practitioner (Pharmacists involved in delivering or managing pharmacist-provided services. Also includes Postgraduate students who are not pursuing a PharmD.)
- Scientist/Researcher (Researchers involved in discovery, integration, or application of knowledge in the pharmaceutical sciences, clinical sciences, or economic, social, and administrative sciences (ESAS) to improve patient health. Also includes Postgraduate students who are not pursuing a PharmD.)
- Resident (Current pharmacy residents only. Pharmacy resident must be the primary author.)
- Student (Student pharmacists pursuing a PharmD. Student pharmacist must be the first author and include contact information for the student's advisor.)

Note: If you choose the Resident category (a current pharmacy resident) as your category, you may choose to submit a Report on Project in Progress. Only Residents may choose this category.

- Resident (Current pharmacy residents only. Pharmacy resident must be the primary author.)
- Student (Student pharmacists pursuing a PharmD. Student pharmacist must be the first author and include contact information for the student's advisor.)

Abstract Type *

- Innovative Practice Report
- Report on Project in Progress (not complete, but results will be complete by March 1, 2018 and will be presented at APhA2018)
- Contributed Research Paper

Encore Presentation *

Original research that has already presented at another local, state, or national meeting within 12 months of the submission deadline. Abstract and original citation required.)

- Yes
- No

If you choose the Student category (a student pharmacist pursuing a PharmD), you must include your advisor's name and email

- Student (Student pharmacists pursuing a PharmD. Student pharmacist must be the first author and include contact information for the student's advisor.)

Advisor Contact Information *

Please provide your advisor's name and email address.

Click 'Save and Next'.

Add all authors, noting their role as presenting, corresponding, primary, and/or co-author. Include financial disclosures for each author.

APhA2018 Abstract Submission Form

[Topic Information](#) | [Author Information](#) | [Abstract Information](#) | [Award Program Consideration](#)

Author Information

In this section you will provide information on the author

Author Information

The Corresponding Author will receive all correspondence from APhA and must be one of the co-authors listed on the submitted abstract. By submitting an abstract to the conference, the Corresponding Author assumes responsibility for the following: • Ensures that all authors have read the abstract and agreed to be co-authors. • Notifies all co-authors of any changes to the conference, as may be communicated by APhA and share all correspondence with all co-authors. • Disclosure of any prior presentation.

The Presenting Author agrees that he/she will register and attend the APhA2018 annual meeting to present the poster on Saturday, March 17, 2018, from 12:30 – 2:30 p.m.

Author Role *

Please indicate if the author is the Presenter, Primary, Corresponding or Co-author. Please note you can only identify 1 individual as the corresponding author, 1 individual as the presenting author and 1 as the primary author. The corresponding, presenting, and primary author can be the same individual. Please check all that apply.

- Presenting Author
- Corresponding Author
- Primary Author
- Co-Author

Author First Name *

Author Last Name *

Credentials (check all that apply) *

- MD
- PhD
- PharmD
- RN
- MS
- MSA
- Other

Title *

Organization *

Email (this address will be used for all abstract correspondence) *

Phone number *

Character count: 0 / 20

Financial Disclosure *

- I declare that neither I, nor my spouse or partner, has had any financial relationship with any commercial interest (as defined above) during the past 12 months.
- I have financial interests to declare

Do you have any additional authors to add? *

- Yes
- No

Page 3 of 4 (Abstract Information)

1. Enter your Abstract Title, using upper and lowercase letters ([APA format](#))
2. Enter your Abstract Objectives – 120-word limit.
3. Enter your Abstract Methods – 120-word limit.
4. Enter your Abstract Results (Contributed Research Papers ONLY) – 100-word limit.
5. Implications/Conclusions – 100-word limit.
6. Upload supporting tables/figures (ESAS only).

The screenshot displays the 'APhA2018 Abstract Submission Form' interface. On the left is a navigation menu with options: Home, My Abstracts, In Progress (2), Complete (2), My Profile, Change Password, and Log Out. The main content area is titled 'APhA2018 Abstract Submission Form' and includes a breadcrumb trail: 'Topic Information > Author Information > Abstract Information > Final Program Consideration'. The form fields are as follows:

- Abstract Title (use upper and lower case):** A single-line text input field.
- Abstract Objectives:** A large text area with a word count of 0 / 120.
- Abstract Methods:** A large text area with a word count of 0 / 120.
- Abstract Results (for Contributed Research Papers only):** A large text area with a word count of 0 / 100.
- Implications / Conclusions:** A single-line text input field with a word count of 0 / 100.

Click 'Save and Next'.

Click the button of the awards category that applies to the **primary** author. If none apply, click “I do not belong to an APhA Academy”:

- APhA Academy of Pharmacy Practice and Management: Authors of practice-focused poster presentations.
- APhA Academy of Pharmaceutical Research and Science: First author must have been a postgraduate (masters or doctoral degree candidate, resident, fellow, and/or postdoctoral scholar) when the research presented was conducted. If the research was conducted when you were pursuing a PharmD degree, you are not eligible.
- APhA Academy of Student Pharmacists: Author is a student pharmacist and submits a practice-focused poster presentation.
