# APhA-ASP Proposed Resolution Statements

## 2018.1 - Education on Lesbian, Gay, Bisexual, Transgender, and Other Identities

APhA-ASP encourages the advancement of optimal patient care for Lesbian, Gay, Bisexual, Transgender, and Other (LGBT+) patients through the implementation of the following measures:

- a. Development of continuing education programs with a focus on unique health disparities, specialized pharmacotherapeutic considerations, and advancement of cultural competencies, and;
- b. Inclusion of education on topics related to diverse gender and sexual identities in the curriculum of schools and colleges of pharmacy.

## 2018.2 - Direct and Indirect Remuneration (DIR) Fee Practices

APhA-ASP opposes retroactive Direct and Indirect Remuneration (DIR) fees imposed by Pharmacy Benefit Managers (PBMs) on pharmacy claims.

## 2018.3 - Emergency Prescription Refill Protocol

APhA-ASP encourages state boards of pharmacy to develop a standardized protocol allowing pharmacists to provide refills, not-pursuant to a prescription, during a declared state of emergency, natural disaster, or man-made disaster.

During the Final House of Delegates session, Chapters will vote for the Most Inspirational, Most Humorous, and Best Overall PharmFlix videos.

And the nominees are...

### Best Overall
