Community Service Project

We are once again proud to announce that Paws for Veterans will serve as the APhA2018 Community Service Project. [Paws for Veterans](#) provides Psychiatric Service Dogs, training, and therapeutic group sessions to Veteran and Active Duty men and women struggling with Post Traumatic Stress Disorder and Traumatic Brain Injury.

As an exhibitor, you have the unique opportunity to help support this worthy project and at the same time increase your exposure at APhA2018. Every exhibitor who agrees to donate a minimum of \$2.00 to Paws for Veterans for each attendee badge swiped at their booth will be recognized in a mobile alert sent through the official APhA2018 Mobile App. The alert will list all participating companies with their booth numbers and encourage attendees to visit those booths.

If you are interested in participating, please contact John Russell by e-mail at jrussell@aphanet.org.
