The Future of Pharmacy Is Here
Thank you for joining us at APhA2019—a gathering of the very best in professional development, education, and networking. With a program that is designed to educate and inspire, and many opportunities to connect with influential leaders and colleagues, you will find that Moving Pharmacy Forward is ingrained in everything that’s happening at APhA2019 and we are shaping pharmacy’s future together.

Hear from President Nicki Hilliard how APhA is Moving Pharmacy Forward and how the Association is transforming to meet your individual needs and those of the profession. She will discuss enhanced member engagement, innovation, and the use of technology and programs to help pharmacists gain recognition and engagement in new care delivery opportunities. In addition, she will discuss APhA’s strong commitment surrounding pharmacist and pharmacy personnel well-being and resiliency. APhA is your ally to empower positive personal, professional and health system changes. President Hilliard recognizes that we cannot let the challenge of moving the profession forward keep us from capitalizing on today’s opportunities, for our lives, our profession, and our patients. She is optimistic about our path and proud of those who implemented her presidential charge. You have truly gone the extra mile to provide patient care, to embrace team-based care, and live up to the profession’s significance in patient and public health.

How can you avoid burnout in your work and home? Flexibility, adaptability, tenacity, perseverance—all are elements of resilience. It allows you to quickly adjust to changing circumstances, cope with pressure, and maintain your sense of control. This hands-on session will help you build up your own resilience and introduce you to strategies to beat burnout at work and in your everyday life.

As part of the General Session, this keynote presentation is preceded by the APhA Awards ceremony beginning at 9:00 am.

A book signing of Your Resiliency GPS will be held at the APhA Bookstore following the presentation from 11:30 am–12:15pm.

“Of all the gin joints, in all the towns, in all the world, she walks into mine...”

Shhh...it’s a secret (well, not really). Join colleagues and friends for a step back in time at APhA’s Closing Reception Speakeasy. We invite you to gather on the final evening of APhA2019 for a classic, Prohibition-style evening of hors d’oeuvres and entertainment.

Bring proper ID. Your badge is your entry ticket. Tickets may be purchased for unregistered guests via the registration process for $50 (tickets are not available at the door). Dress is casual. Fedoras and flappers are encouraged.

The Fairmont is a 10-minute walk from most APhA hotels. Shuttles are not provided. See the city map on page 92 and the APhA2019 App for location reference.
